Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the EMS Substation and Fire Training Facility project in fiscal year 2027. The entity to receive funding for this project is Ohio Township, located at 1719 Roosevelt Road, Pittsburgh, Pennsylvania 15237.

The funding would be used for the construction of an EMS substation and Fire Training facility structure.

The project will be a valuable use of taxpayer funds because it will drastically improve response times for EMS first responders during emergencies and provide a modern training facility for local first responder agencies.

The project has a federal nexus because the funding provided is for purposes authorized by Section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act - 42 U.S.C 5196c.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

A handwritten signature in blue ink that reads "Christopher R. Deluzio".
