Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Scott/Carnegie Flood Mitigation project in fiscal year 2027. The entity to receive funding for this project is Pennsylvania Department of Transportation, District 11, located at 45 Thoms Run Road Bridgeville, Pennsylvania 15017.

The funding would be used to mitigate flooding on S.R. 0050 in Scott Township and Carnegie Borough by increasing the capacity of the storm water drainage system to convey both roadway runoff and mine drainage in the area.

The project will be a valuable use of taxpayer funds because it will protect the driving public from floodwater on roadways. Additionally, it will reduce traffic delays caused by flooding in the area and afterwards during post flood cleanup.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

A handwritten signature in blue ink that reads "Christopher R. Deluzio".
